Professional Summary

BCA graduate from Galgotias University (2023–2026), seeking an entry-level Data Analyst role. Hands-on project experience in data cleaning, exploratory data analysis, KPI calculation, and reporting using Microsoft Excel, MySQL, Python (Pandas), and Power BI. Analyzed sales performance, profitability, customer trends, and regional and category-level metrics through a Superstore Sales Analysis project.

Technical Skills

Data Analysis: Microsoft Excel, Data Cleaning, Exploratory Data Analysis, KPI Reporting

SQL & Databases: MySQL, SQL Queries, Aggregations, CTEs, Window Functions

Python: Python, Pandas, Data Analysis

Visualization: Microsoft Power BI, Dashboard Development

Other Tools: Git, VS Code

Projects

Superstore Sales Analysis | Excel, MySQL, Python (Pandas), Power BI 2026

- Analyzed 10,194 order-line records and 5,111 distinct orders to evaluate sales, profitability, and customer purchasing patterns.
- Calculated key KPIs: total sales of approximately 2.33M, total profit of 292.30K, profit margin of 12.56%, and average order value of 455.20.
- Used Excel, MySQL, and Pandas to analyze regional and category performance, product profitability, and monthly and yearly sales trends.
- Examined customer performance, shipping duration, and returns; developed a Power BI dashboard to communicate key metrics and business trends.
- **GitHub:** Superstore Sales Analysis Repository

MacroTracker – Nutrition Tracking Application | Android Studio, Firebase, SQLite 2026

- Developed an Android application to record daily calorie and nutrient intake using structured meal data.
- Organized nutritional records in SQLite and worked on data validation and consistent data organization.

Student Management System | PHP, MySQL 2025

- Designed a relational MySQL database for student records and implemented CRUD operations with authentication.

Education

Galgotias University Greater Noida, India
Bachelor of Computer Applications (BCA) *2023–2026*
Geetagyan Sanskar Academy CBSE
Senior Secondary Examination *2023*
Geetagyan Sanskar Academy CBSE
Secondary School Examination *2021*

Certifications

- Python Programming – Scaler (2025)
- Python Programming – 360DigiTMG (2025)
- Machine Learning Using Python – Simplilearn (2025)
